Silence SO2 Urban

“**The City Dweller**” Created specifically for riders who live and work in the city, this new model takes all the Silence style into a more cost-effective package. The SO2 Urban is the entry point in the range, with its 2kWh battery and 1.5 kW motor equivalent to a 50cc moped, ideal for younger riders. It has a top speed of 30mph and a range of up to 35 miles.

- > 50cc equivalent
- > Available in white
- > Removable battery
- > Charge in any UK standard 240V socket
- > Running costs of around £0.01 per mile
- > Maximum speed 30mph
- > Up to 35 miles of range (WMTC)
- > LED lighting
- > USB Port

Features

Driving modes

Eco

In Eco mode, the scooter's speed is limited to **20mph**. This allows you to save money and relax more as you drive.

City

The SO2 Urban is designed for getting around the City, with the speed limited to **30mph**, giving the vehicle a good performance level and more balanced power consumption.

CBS and Regenerative Brake

The SO2 Ur is equipped with a combined braking system (CBS): the one on the left applies the brakes on both wheels while the one on the right applies the brake on the front wheel and engages the regenerative brake, which assists braking and also recharges the battery.

Reverse gear

Silence scooters are the only ones to feature a reverse gear, offering full manoeuvrability. This is activated by pressing the green button on the left handlebar. Once you've tried it, it becomes an essential driving mode.

Vehicle Warranty

2 Years

Battery Warranty

3 Years

Roadside Assistance

2 Years, AA
